Working with other agencies

We will continue to work with children's social care, with virtual school heads for looked-after and previously looked-after children, and with any other relevant safeguarding and welfare partners, to help keep children safe.

We will continue to update this policy where necessary, to reflect any updated guidance from:

- Our local safeguarding partners,
- The local authority, about children with education, health and care (EHC) plans,

- the local authority designated officer and children's social care, reporting mechanisms, referral thresholds and children in need

Peer-on-peer abuse

We will continue to follow the principles set out in Keeping Children Safe in Education when managing reports and supporting victims of peer-on-peer abuse.

Staff should continue to act on any concerns they have immediately – about both children attending school and those at home and to report to the DSL or Deputy DSL to follow up.

We have contact plans for children with a social worker, and other children who we have safeguarding concerns about, for circumstances where the child is at home.

Each child has an individual plan, which sets out

- We will make weekly contact
- The child's tutor will make contact or the tutor's learning support worker
- Contact will be made by phone.

We have agreed these plans with children's social care where relevant, and will review them termly

If we cannot make contact, we will alert the child's social worker and if we cannot contact the social worker we will attempt a home visit. If this is unsuccessful, we will contact the police to carry out a welfare check.

Children returning to school

The DSL (or deputy) will do all they reasonably can to find out from parents and carers whether there have been any changes regarding welfare, health and wellbeing that they should be aware of before children return.
