
Trinity Academy Newcastle Trust

Scheme of delegation 2024-2025

This document sets out the schemes of delegation for the academy trust.

Note: Although decisions may be delegated the Directors remain responsible for any decision made under delegation

Introduction

1. This Scheme of Governance, Management and Delegation (the "Scheme") has been made by the Directors (the "Directors") of (Trinity Academy Newcastle Multi Academy Trust) (the "Academy Trust") in exercise of the powers conferred on them by Articles 105 and 137 of the Academy Trust's articles of association (the "Articles").

The Academy Trust

2. The Academy Trust is responsible for **Trinity Academy Newcastle, Trinity Academy New Bridge, Trinity Solutions Academy & Trinity Post 16 Solutions Ltd.** and any further academies that may join in the future (the 'academies').
3. The Academy Trust has entered into a master funding agreement and separate supplemental funding agreements for each Academy under section 1 of the Academies Act 2010 with the Secretary of State for Education in relation to the funding of the Academies (together, the "Funding Agreement").
4. The Funding Agreement places a number of requirements on the Academy Trust including the requirement to comply with the Department for Education's (the "DfE") Academies Financial Handbook (the "Handbook").

Roles and responsibilities

5. The Academy Trust has defined the roles and responsibilities of each person involved in the administration of academy finances to avoid the duplication or omission of functions and to provide a framework of accountability for governors and staff. The scheme is as follows:

Trinity Academy Newcastle Trust Members

- As charitable companies limited by guarantee every trust has Members who have a similar role to the shareholders in a company limited by shares. Most notably they:
- are signatories to the articles of association which includes definition of the trusts' charitable object and governance structure (where they are founding Members);
- may, by special resolution, amend the articles of association, subject to any restrictions created by the trust's funding agreement or charity law;
- may, by special resolution (which requires 75% rather than a simple majority of Members to agree) appoint new Members or remove existing Members other than, where there is one, the foundation/ sponsor body and any Members it has appointed;
- have power to appoint Trustees as set out in the trust's articles of association, and have power under the Companies Act to remove any or all serving Trustees;
- may by special resolution issue direction to the Trustees to take a specific action;
- appoint the trust's auditors and receive the trust's annual audited accounts; and
- have power to change the name/category of the charitable company and ultimately, wind up the academy trust.

Trinity Academy Newcastle Trust Members are:

- Shirley Hall
- Lonie Sebagh
- Eric Fletcher

Board of Directors (Board):

Trinity Academy Newcastle Multi Academy Trust is governed by non-executive directors constituted under a Memorandum of Association and Articles of Association. This Board of Directors (Board) is responsible for ensuring that high standards of corporate governance are maintained. The Board exercises its powers and functions with a view to fulfilling a largely strategic leadership role in the running of the academies. This affords greater opportunities for collaboration not only with regards to teaching and learning but also in terms of the management of each Academy, including the procurement of goods and services.

The Board is also governed by the terms of any Funding Agreements that are in place and the Academies Financial Handbook (AFH).

Directors of Trinity Academy Newcastle Multi Academy Trust (TAN MAT)

Board

Michael McHugh (Chair)

Lynn McNally (Chief Executive and Accounting Officer)

Peter Monaghan (Vice-Chair)

Nick Elliott

James Rainsford

Ana Maria Ocampo Lucumi

Kirsty Allan

Helen Murray

Chris Boccovi

2 x vacancies

Lee Robinson – Company Director Trinity Post-16 Solutions Ltd.

1 x vacancy - Company Director Trinity Post-16 Solutions Ltd.

The Directors must agree a formal schedule of matters reserved for their decision, i.e. those which should not be delegated within the Trust. Beyond this the Directors will establish separate committees, at Board level, to deal with specific areas of the Trust's business, and should determine the delegated responsibilities to be assigned to those committees. This will ensure that matters can be dealt with in appropriate detail and with sufficient frequency.

The TAN MAT Board will establish an:

- Appeals Committee
- Finance, Audit and Resources Committee
- Quality of Education, Inclusion & Safeguarding Committee
- Performance Management committee

Where the Directors decide to delegate certain matters for consideration by sub-committee, each committee should be chaired by a Director. All Directors will sit on the Board of Directors and will sit on either the Finance, Audit and Resources committee or the Quality of Education, Inclusion and Safeguarding Committee. The membership of the committee may include persons who are not Directors provided that a majority of the members are Directors. The Directors will ensure that it receives adequate feedback on the work of those committees and is able to consider their proposals formally. The establishment of committees does not absolve the Board of its overall responsibility to manage the Trust. The Board will be responsible for reviewing all suspensions and complaints upon appeal. The panel will consist of 3 members from either the Board of Directors or Local Governors from the Local Advisory Board.

Chief Executive Officer (CEO) & Executive Leadership Team (ELT)

The CEO shall be appointed by the Board of Directors. The CEO will manage generally the business of the Trust within agreed financial limits set by the Board. Subject to these financial limits, the CEO may also delegate to other members of the Executive Leadership Team, primary authority for the day to day management of the Trust's operations save for those matters which are reserved to the Board or its committees.

The CEO and ELT (where delegated by the CEO) is the overall decision-making body for performance and delivery, under delegated authority from the Board. The main purpose of the CEO and ELT is to monitor, challenge and improve academy performance. This includes, but is not limited to:

- Academic performance of all students at every key stage;
- Curriculum and staffing management; and Financial and resource allocation.

The Local Advisory Board (LAB)

The purpose of a LAB is to provide a local perspective regarding the effective operation of the school. Therefore, the LAB is not required to take decisions on staff or financial matters affecting the Academy. The LAB will support the Head of School and advise the Board of Directors, with the aim of improving the relevant academy.

The LAB will be kept informed about all aspects of the academy and will make recommendations to the Board of Directors, as appropriate;

As the Board of Directors takes responsibility for educational standards, legal compliance and financial viability, the LAB then has the time to investigate the standards on the ground, to see how they are working, and explore how the TANMAT ethos is being understood and expressed in the way the Academy operates.

The LAB consists of a group of people who could be parents, local governors, community nominees, or academy staff, with a minimum of 5 and a maximum of 9 people. The minimum number of attendees for a meeting is four members of the LAB.

A member of the Board of Directors acts as Link Governor and will Chair the LAB.

The TANMAT Board has established five key roles for Local Advisory Boards:

- To advise/act as a critical friend to the Head of School;
- To advise the Board of Directors about local issues they need to consider that affect the academy;
- Represent the interest of the Academy community in the running of the Academy;
- Represent the Academy in its community;
- Provide support to the Head of School in undertaking appropriate day to day procedures that are essential to the life of the Academy.

Central Functions

As part of a Family of Schools we aim to have the greatest amount of impact with efficacy. A contribution of an equal percentage of funding (through consistent Funding Formula between all schools) of each academy's GAG income is levied which enables all academies access to a whole range of functions and services as agreed at Trust level. This excludes any surplus carried forward or income generated by the Academy. In addition, when necessary, specific

charges are made for bespoke intervention when curriculum and performance require e.g. long term or significant deployment of Heads of School.

Each year the trust will retain 5% of the GAG funding for each Academy, for clarity this excludes the funding each academy receives in respect of:

- Sport Premium
- Pupil Premium
- Devolved Capital (where delegated per school)
- Student financial support funding
- Top-up funding for Special Needs (including Education, Health & Care Plans)
- School generated income (e.g. lettings, fundraising, grants)

The funds retained by the Trust will be used to fund the following expenditure on behalf of the academies within the Trinity Academy Newcastle Trust

This is not an exhaustive list:

- Central Services
- Admissions / Appeals
- CEOs' Performance Management
- External Audit
- Audit Bank Fees
- HCSS budget planning system
- Governor Development Service
- School Improvement
- Shared bid writing
- HR/Payroll
- Central Services Salaries
- Annual Actuarial Revaluation Fees (LGPS)

The Trust will reserve the right to update the expenditure on an annual basis. Where appropriate the top slice may be adjusted to reflect any increases in cost or increase in services to be provided directly by the Trust, or as a result of cost saving generated through streamlining of back-office functions.

Each year the Trust will also agree annual recharges between the academies to offset expenditure such as:

- Alternative Education
- Staff Secondment
- Shared Resources/Premises Costs

The above will be calculated as follows:

- If the cost of the service is based upon pupil numbers, schools will be charged per pupil
- If the cost of the service is based upon staff numbers, schools will be charged per staff member
- If the cost of the service is per institution, the school will be charged for their institution

Deployment of Heads of School

The ultimate responsibility for the deployment of Heads of School belongs to the Chief Executive. This will be based on identified need. Academies should discuss their requirements with the Chief Executive who will then broker that support on their behalf.
